No greater assortment of botanical plants was ever seen in this city than the one offered to the public during this week. The store and greenhouses of this firm are filled with the choicest and prettiest flowers and on one need be without a beautiful floral offering on Easter morning, provided your order is put in early.

CHARLESTON GETS NEW PARK.

Charleston, April 29.—The contract has been let by the baseball promoters for the construction of the new baseball park at Kanawha City to the W. A. Abbitt Company, and work has begun. It is said that the park will be completed about May 6, as a large force was put to work on the grounds, which will be leveled before the stands are constructed.

Completion of the deal for the new playing field is due to the efforts of Manager Watt Powell of the Senators, who has worked ever since he took over the management of the club for better conditions in every way. He deserves the support of every fan in the city and will surely be welcomed by the largest crowd of baseball enthusiasts that ever attended a game in this city on opening day.

Mr. Charles Swisher of Cincinnati, and Mrs. Walter Swisher and daughter of Maysville, were here to attend the eighty-first birthday celebration of Mrs. Mary J. Swisher last Saturday.—Ripley Bee.

"The Government of the Bible City" will be the third of the series of lectures on the Bible City by Rev. H. B. Wilhoite at the Baptist church tonight. The public is cordially invited.

Wednesday in the Mason County Court the Union Trust Company was appointed guardian to Maggie Lee Hill, a minor, with its capital stock as surety on bond.

Early Gullett was tried before Squire Fred W. Bauer Wednesday on a charge of riding freight trains and was fined \$9.15, which was paid.

The social that was to have been given by the Christian Endeavor of the Christian church tonight, has been postponed.

Mr. and Mrs. Roland Steele of Maysville, motored down Sunday and spent the day with the latter's sister, Mrs. Jed Frayre.—Augusta Chronicle.
